

Youth Ministry

What we are Learning!

The Bethel Youth Group is going through various subjects during our different ministry activities. During Sunday School we are going through the "Bible in two years" plan. So far, we have covered Genesis through the book of Judges. It is during this time that we are diving into the "drama of redemption" seeing how the gospel permeates throughout the whole counsel of God's word. We are noticing how the Scripture is a unified whole and, therefore, how important knowing both the Old and New Testament is. During our youth group times we are doing a long series tackling the formation of Christian habits and practices. It is during our youth group time that we have noted the many ways in which the world around us is seeking to influence Christians without them even knowing it. Being made aware of these devilish tactics, we have given time and attention to the cultivation of spiritual actions which root us deeply in a particularly Christian and theologically informed way of living. The Bible studies are diving into spiritual growth through different material.

Middle school boys, high school boys, and high school girls are going through Dane Ortlund's book *Deeper*, while the middle school girls have been working through the book of James. Renee Nix is leading the middle school girls, and Hyeri Lee is leading the Bible study for high school girls. Our time together has been incredibly encouraging! It is a joy to see our Bethel children asking great questions about the Lord and His word. We have cultivated a great place for the gospel to be digested and serious Christian conversations to take place.

Ways you can pray for this ministry:

Pray for our youth group, that the children would grow holistically in their faith. We want them to spiritually grow in knowledge, affections, and in all their doings. Out of our love for God and because we love them!
