

Diaconate Highlights

“Unless the LORD builds the house, those who build it labor in vain.” —Psalm 127:1 (ESV)

Dear Bethel Church Family,

We are grateful to the Lord for the visible progress on our building project in recent weeks. With the roof now in place and windows installed, the structure is really beginning to take shape. It is encouraging to see the plans that have been prayed over for so long becoming a reality before our eyes.

Thank you for your continued patience and support throughout this process. Construction inevitably brings inconveniences, yet your gracious spirit has been a great encouragement. We also want to thank you for your faithful generosity, which makes this work possible. If you are able, we encourage you to continue giving to the building fund as we move forward toward the close of the project.

Community Ministry Reminder
Please remember the upcoming **Pancake Supper benefiting Biblical Studies**

Release Time, a local ministry that shares the gospel with children in our public schools. The supper will be held **this Saturday, March 14, from 4:30–8:00 PM at Clover High School**. Plates are **\$7 for adults and \$5 for children**. It’s a great opportunity to enjoy fellowship together while supporting a ministry that proclaims Christ to the next generation.

Once again, thank you for your faithful giving and support of the church’s ministries. Your generosity enables us to care for our facilities, serve those in need, and partner with gospel-centered work in our community like BSRT. Through your donations to the Deacons’ Fund we were able to support the purchase of Bibles for every 5th grader in the BSRT ministry.

As always, if you have questions, concerns, or needs—your own or someone else’s—please reach out to your shepherding team. It is our privilege to serve and care for you.

In Christ,
Ethan Wallace
Diaconate Chairman
