

# Diaconate Highlights

“Let all that you do be done in love.”  
—1 Corinthians 16:14 (ESV)

Dear Bethel Church Family,

We give thanks to the Lord for the visible progress on our building project. It is a blessing to see how God is providing and guiding this work. Thank you for your patience and continued support throughout this season of construction. Your flexibility and graciousness have not gone unnoticed. We also remain deeply grateful for your faithful generosity, which enables this project to move forward. As we continue into the next phase, we encourage you to prayerfully consider ongoing gifts to the building fund.

### Serving Together

This Sunday (5/10), we will be collecting items for the Palmetto Women’s Center, a ministry that supports mothers and families in need. Requested items include diapers, wipes, bottles, bottle brushes, and other baby essentials. Thank you for helping us celebrate life and care for our neighbors in tangible ways.

### Security Update

A new security system has been installed in both the sanctuary and education building. This system will be armed overnight to help protect our facilities. We appreciate your understanding as we take these steps to be good stewards of what God has entrusted to us.

Once again, thank you for your faithful giving and support. Your generosity allows us to care for our church, meet needs within our congregation, and support gospel ministry near and far. It is a meaningful expression of worship and love for others.

As always, if you have questions, concerns, or needs—your own or someone else’s—please reach out to your shepherding team. It is our joy to serve you in Christ.

In Christ,  
Ethan Wallace  
Diaconate Chairman
