

Hello Church Family! We are excited to witness these beloved members of our Bethel family step into the next chapter of their lives as they graduate from the youth group and high school! As you read and think of them, we encourage you to pray for them. Pray, pray, pray to the Good Shepherd for their sakes as they experience new joys and also new threats. We trust the Lord for his care, provision, and affection towards them. May we pour upon these young adults our prayers, encouragements, and gospel-shaped love. -Isak Siemens

Cameron Miller will graduate with honors from Clover High School on May 28. She plans to attend the University of North Carolina at Greensboro in the fall. She was admitted to UNCG's Architecture and Interior Design program and is looking forward to expanding on the engineering courses she enjoyed at Clover High School. Cameron loved playing JV basketball as a freshman and sophomore, and JV and Varsity soccer, serving as a team captain her sophomore year. Cameron also enjoys playing the drums, skateboarding, snowboarding, cooking, and spending time with friends. She is looking forward to the next steps God has for her but would also like to thank her Bethel family for all you have done to prepare her for the future.

Jordan Weatherby was on the Clover Wrestling Team throughout high school, AF-JROTC (Air Force Junior Reserve Training Center for 3 years) and 4H & FFA (pig project). He has been working at Spring Lake Country Club going on two years. He is on the maintenance crew and whatever needs done. Jordan is currently on track to read through the Bible in a year. Jordan is planning and on track to join the Air Force, wanting to be an aircraft mechanic and afterwards working for a major airline as an aircraft mechanic.

Macie Clinton is excited to begin a new chapter in her life. Leaving high school will be bittersweet, as these years have been filled with growth and meaningful experiences. She has done well academically and has been truly well-rounded, balancing her studies, soccer, and her love for Jesus. She is especially grateful for her time at Clover High School, where she enjoyed both school and club soccer and all the opportunities that came with them. As she closes this chapter, Macie looks forward with excitement to pursuing her dream of cosmetology this fall. She has a heart for people and loves helping others feel confident and beautiful. Macie hopes to use her career not only to care for people's physical needs, but also to encourage their spiritual growth. We are incredibly grateful to everyone who has walked alongside her—guiding, supporting, loving, and praying for her—throughout this journey.

Molly Wynkoop graduates May 2 from Compass Prep in Rock Hill. Molly's love for learning and curiosity has given her many wonderful experiences during her high school years. She ran varsity cross country with York County Trailblazers team. She enjoyed three years performing with NarroWay Theatre Productions. She is thankful for two international trips with Compass Prep to England and Italy. We are so very proud of the hard work Molly has put into her education and are thankful we could walk through these years with her. This fall she plans to attend North Greenville University to pursue a degree in Health Sciences.

Brenna Clinton is graduating from York Comprehensive High School as a South Carolina Academic Honor Graduate. She is a Palmetto Fellow and a member of the National Honor Society, National English Honor Society, Mu Alpha Theta math honor society, National History Scholars Society, French Honor Society, and Tri-M National Music Honor Society. She has also served on the YSDI Superintendent's Advisory Council and the York Mayor's Student Leadership Council. She was a junior marshal and represented YCHS at Palmetto Girls State. She has been an oboist and mallet percussionist in the YCHS marching band, honors wind ensemble, and percussion ensemble, serving this year as band vice-president. Brenna earned a Bell Tower scholarship to attend Furman University, where she plans to major in English with a possible double major in history. She would like to thank her Bethel family for all their support through the years.
