

Diaconate Highlights

"And let us not grow weary of doing good, for in due season we will reap, if we do not give up." — Galatians 6:9 (ESV)

Dear Bethel Church Family,

We continue to give thanks to the Lord for His faithfulness and provision as we witness the building project nearing completion. What was once a vision and a set of plans has become a visible reminder of God's goodness and the generosity of His people. Thank you for your patience, flexibility, and continued support throughout the construction process. We encourage you to continue praying for the project and giving to the Building Fund as we move toward the finish line.

To ensure the safety of our children and volunteers during Vacation Bible School, construction activities will be paused next week. We are grateful for the cooperation of our contractors and look forward to resuming work afterward.

We are also pleased to report that the broken air conditioning unit in the Education Building has been replaced. We are thankful to have this important repair completed as we enter the summer months.

Clover Area Assistance Collection

On Sunday, June 28, we will be collecting items for Clover Area Assistance, which serves families in our local community. Needed items include:

- Toilet paper
- Instant potatoes
- Canned meats
- Canned fruit
- Jelly
- Canned tomatoes
- Canned beans
- Spaghetti sauce

Thank you for helping us support our neighbors through this important ministry.

We would also like to express our sincere appreciation to everyone who helped make this year's Homecoming Covered Dish Lunch such a wonderful time of fellowship. Thank you to those who assisted with setup and decorations, brought dishes to share, and stayed afterward to help clean up. Your willingness to serve reflects the love and unity of Christ within our church family.

As always, thank you for your faithful generosity. Your giving enables us to care for our facilities, assist those in need, and support gospel ministry both within our congregation and throughout our community.

If you have questions, concerns, or needs—whether your own or someone else's—please reach out to your shepherding team. It is our privilege to serve alongside you and care for one another as members of Christ's body.

In Christ,
Ethan Wallace, Diaconate Chairman
