

Operation Christmas Child

Brothers and sisters of Bethel,

Peace be with you.

It is that time of year again, and Operation Christmas Child is coming up. Last year, we had a goal of 60 overall boxes between physical and online boxes. We turned in 16 physical boxes and completed 49 total online boxes. Our final total was 65 boxes. Our goal this year will again be 60 total boxes. Our goal page will be live by October 5th, and I will send out an additional email with the link when it is live.

The following materials will be in the church office:

- Buildable shoeboxes for those that need them
- Adhesive shoebox labels with instructions for packing and a scannable QR code to track your package

At any time going forward, you can drop off completed shoeboxes in the vestibule before worship service to the deacons, during the week to the church office, or at my office in the lobby. We will collect all shoeboxes by the 26th and deliver them to the Charlotte processing center.

Thank you again for your continued support of this ministry.
