Diaconate Highlights

"As each has received a gift, use it to serve one another, as good stewards of God's varied grace." —1 Peter 4:10 (ESV)

Dear Bethel Church Family,
We continue to thank the Lord for the progress of our building project and for His faithfulness in bringing us this far. While much has been accomplished, there is still work underway on the grounds, along with finishing touches to both the interior and exterior of the new building. Thank you again for your patience, flexibility, and continued support throughout this process. We encourage you to continue praying for the project and giving to the Building Fund as we work toward completing the remaining improvements.

Buildings & Grounds Update
The deacons are continuing to work through maintenance and improvement needs across our campus. As we look after both our new and existing facilities, we want to be faithful stewards of all that the Lord has entrusted to us. If you notice any damage, maintenance issues, or potential safety concerns anywhere on the church property, please bring them to the attention of a deacon or elder so we can address them.

Congregational Meeting
Please remember that our next Congregational Meeting will be held Sunday, November 22, following worship. We encourage everyone to make plans to attend and participate in the life of our church.

Thank You!
We are continually grateful for your generosity and faithful giving to the General Fund, Deacons' Fund, and Building Fund. Your gifts allow us to care for our facilities, meet needs within our congregation and community, and support gospel ministry near and far. Thank you for the many ways you continue to give, serve, and care for one another. A special thanks to all of the families participating in our Thanksgiving Meals outreach and Operation Christmas Child. As we approach the Christmas season, the deacons stand ready to assist members of our congregation and community in need.

As always, if you have questions, concerns, or needs—whether your own or someone else's—please reach out to your shepherding team. It is our privilege to serve and care for one another as we seek to glorify Christ together.

In Christ,
Ethan Wallace, Diaconate Chairman
